- **About MSP Mandal**

Marathwada Shikshan Prasarak Mandal was founded in 1958 under the able and foresighted leadership of Late Shri. Vinayakrao Pandurang Patil, Ex. Minister for Co-operation and Ex. President, Maharashtra Pradesh Congress Committee. The institute was established with the prime object to cater the needs of economically and educationally backward and downtrodden masses of this region. With this object, Marathwada Shikshan Prasarak Mandal runs 124 Primary Schools, Middle Schools, CBSE Patterns of English Schools, Colleges, Hostels and Professional Institutes such as Pharmacy, Law, Computer, Engineering, Polytechnics and IT etc. The Institute was duly honoured for its achievements in the field of education and social reformation and awarded as an "Excellent Education Society" by the Government of Maharashtra in 2001. Mandal has successfully arranged 77th Akhil Bhartiya Marathi Sahitya Sammelan. Mandal organizes Orientation Programmes, Workshops, Symposium, and Conferences etc. for the quality improvement for teachers.

The foundation of this largest educational institute in Marathwada was nothing but a zealous attempt to provide light of knowledge to those who are suffering in the darkness of ignorance. The institute being with a motto of "*Tamso ma Jyotirgamaya*" meaning let the darkness of ignorance be driven away. Nizam's rule was solely responsible for the backwardness of the region. Currently Mandal has expanded its work in five districts with 138 colleges and institutions functioning under its aegis.

- **About the College**

Marathwada region for years have felt within themselves urge to spread general awareness among the masses and provide facilities for legal education to the aspirants with the opening of Marathwada Shikshan Prasarak Mandal's ***Swatantrya Senani Ramrao Awargaonkar College Law College*** at Beed in 1979. The college has completed 46 years of its fruitful service in the cause of legal education with many credits on record yet we genuinely feel so little: done so much to do. The college regularly organizes academic and curricular activities as a part of its curriculum and also for student welfare and development.
